# Pricing and Discount Policy

*NovaMart Pvt Ltd - Internal document (fictional, for DataMind demo)*

## Scope

This policy applies to all NovaMart stores and the online channel.

## Standard discounts

Store managers may offer up to 10 percent discount without approval. Discounts between 10 and 25 percent require approval from the regional category manager and are normally limited to approved campaigns. Discounts above 25 percent are not permitted except for clearance stock approved by the Chief Commercial Officer.

## Seasonal campaigns

Summer Cool Deals (April and May) offer 5 to 15 percent on Home and Kitchen products such as ceiling fans, air fryers and RO water purifiers, when seasonal demand for these products is highest.

## Price changes

List prices are reviewed every quarter. Cost price changes above 5 percent trigger an immediate review.
